

### Third Quarter – 2014 – Zone 2 Report

It was nice attending yet another anniversary celebration in Zone 2 - Pocono Regions 40<sup>th</sup> on July 12, 2014. They held their celebration at Knoebels Amusement Park, just outside of Danville, Pa and it was a nice gathering with about 80 of Pocono's members present. Also, Damon Lowney and Vu Nguyen were in attendance from the National office. There was plenty of fun, food, prizes, and Porsches. They had Porsche only parking adjoining their picnic pavilion and encouraged members to bring old photos of themselves with their Porsches, family and friends to view on their memorabilia table. Every attending member received an anniversary t-shirt and over 75 door prizes were given away.

During the same weekend, I was able to join a Keystone event that took place on Sunday at the Susquehanna Valley Country Club. The event included a buffet luncheon at the club and was beautifully organized by Gwen Cornell. Of course the Club provided special parking as well. Most impressive for a region that is only made up of 89 members, to have ¼ of them out for an event, was quite impressive. Bob and Gwenn Cornel were wonderful hosts and it was great to get to know some of the Keystone members.

July 25<sup>th</sup> I attended a wonderful tour with 88 members of the Potomac Region, Falling waters Tour – Nemaquin Resort, Kentuck Knob. This is the 8<sup>th</sup> year this particular event has been put on by Potomac and I can see why it is so popular. The weekend included a BBQ, Saturday night Banquet, house tours of Frank Lloyd Wright's Fallings Waters and Kentuck Knob, lots of drives, and wonderful comradery of fellow Porsche lovers. John Eberhardt and his team did a spectacular job of providing many wonderful options for the members attending and the location couldn't have been more beautiful and priced reasonably compared to the public rate.

Having attended at volunteered at multiple Porscheplatz's when Tom Zaffarano was Zone rep, running the Porscheplatz at VIR during the TUDOR race was very busy, but ran very smoothly thanks to the support and assistance of the Porscheplatz coordinator, Tuffy Von Briesen and Dan Dehart, President of the Blue Ridge Region. Dan had a team of volunteers lined up to assist both Saturday and Sunday. The Platz enjoyed over 300 visitors and just fewer than 200 cars. The weather held out (no rain) and it was not as hot as typical for Southern Virginia at the end of August. The Platz welcomed the Ingram Family with a few cars from their collection and a preview of their new book; as well as the Falken Tire Team and the Porsche Factory Team including Patrick Long, Nick and Brian. Michelin did a technical presentation and gave away a set of 4 tires, and Porsche gave away 4 hot pit experiences as well.

**Subsidy requests** were completed for the following regions:
