

## Fourth Quarter – 2014 – Zone 2 Report

Fourth quarter afforded me the opportunity to attend some events with regions in zone 2 I had previously not yet connected with as of yet. I joined the Riesentoter Oktoberfest event with Chesapeake Region's Past President, David Dukehart. It was held at Stout's Brewery and Restaurant just outside Redding, Pennsylvania and was attended by 44 members. The event included a brewery tour, true eating and drinking in Oktoberfest beer garden style experience, and ample time to shop through the antiques in the area.

During the same week I ventured to Lancaster, PA to attend the Central PA region membership meeting. It was attended by 18 pretty active board members. A great deal of the meeting was used to plan for their 55<sup>th</sup> anniversary event which will be held in conjunction with their holiday party on Saturday, January 17<sup>th</sup>.

October 16<sup>th</sup> – 18<sup>th</sup> I attended my first club race since becoming Zone Rep and this was an RTR – Club Race, their first ever held at Monticello Motor Club in New York. The track and facilities were beautiful. The event was extremely well run and was the first club race ever chaired by RTR's Track Chair Marty Kose. He did a terrific job and the race weekend was quite successful with a great showing of PCA racers. Saturday evening of race weekend, Brian Redman, (former Racer and designer of the Monticello track) gave a talk and was quite entertaining.

I held my second President's meeting since becoming Zone Rep and preparing for this took quite a bit of time. Fortunately Tom Gorsuch was able to attend from National and address the concerns centered on the "Burt Prop accusations" sent early in the year through multiple malicious emails. The President's meeting was held in Winchester VA and was attended by 39 including the Zone 2 Safety chair, Dan Dazzo and the safety chairs from each region in Zone 2. A meeting was held by Dan with the Safety chairs simultaneous to the President's meeting, during the afternoon. Friday night Zone 2 hosted happy hour followed by a social at the Piccadilly Pub in Winchester. The meeting ran from 8 – 4pm on Saturday and included region updates by each President, Zone 2 updates regarding the Zone 2 DE and Club race and National updates by Tom Gorsuch. The meeting also included breakout sessions focused on brainstorming on various topics chosen and offered by the Zone 2 Presidents.

**Subsidy requests** were completed for the following regions:

- New member party – Shenandoah
- Charity subsidy request – First Settlers
