

## Zone 2 Representative Quarterly Report Zone Representative: Cheryl Taylor

2017 — 2nd QUARTER

**Another wonderful charity/fund raising event was chaired by Josie Grandfield of the First Settler's region.** As usual she outdid herself with selecting a beautiful location, reaching out to multiple sponsors and organizing, facilitating and coordinating a top notch weekend event at the Greenbrier in West Virginia. Besides a beautiful location, Josie organized a wonderful drive through the scenic mountains to a Grist Mill and the New River Gorge Bridge. In spite of the rain, we enjoyed a wonderful tour of winding roads, and very pretty scenery. Friday night included a Bunker Tour, and a gourmet pizza dinner. Saturday a tour was enjoyed, an extremely fun scavenger hunt, a silent auction and continued fun in the casino if you chose to do so. The even raised over \$6000 for the Boys Home in Virginia, the Virginia Food Bank and the Horizon House of Hampton Roads. Over 24 cars (48 people enjoyed the event included 2 from the Delaware region, and 4 new First Settler's members.

This is my third time attending **Shenandoah's RPM (Richmond Porsche Meet), their premier annual event.** Only missed it the year they celebrated their 25<sup>th</sup> anniversary since that took priority. Once again, Sherry Westfall and her incredible pool of volunteers created and provided a fabulous event at a wonderful venue in Glen Allen, Virginia. Sherry invited Bill Wade of the Street Survival school to speak on Saturday evening and he was truly engaging and further reinforced why it is so important for PCA to continue to support and hold Street Survival Schools. The event was again **well attended with a wonderful showing of beautiful Porsche's for the concours** on Saturday morning, followed by a gimmick rally and tour to Scotchtown (home of Patrick Henry), and a dinner and awards banquet on Saturday night. The event was completed with a very well attended autocross and Richmond Motors Raceway with the farthest PCAers traveling from Canada to include attending RPM as part of their trip.

In between attending region events, and Zone rep **conference calls I've been busy continuing to** field emails regarding the upcoming Zone 2 Club Race. Phil Grandfield has been a stellar Club Race chair this year and has made my job as Zone Rep for the Zone 2 Race so much easier. I greatly appreciate his support, wonderful attitude and keen attention to details through the planning of the Club Race weekend. **As well I've been busy recruiting volunteers and a volunteer coordinator for the PorschePlatz at VIR being held the end of August.** I'm half way through my final year as being Zone 2 Rep and as I reflect on the last 4 years, I truly have enjoyed meeting so many wonderful folks in the 10 regions and being privileged to attend so many outstanding events all put on by volunteers. Zone 2 comprised of the 10 regions in the Mid Atlantic is truly a very **active group with so much to offer to the Porsche Enthusiast.** While I've not been able to really enjoy many events in my own region the past 4 years, the exposure, comradery and relationships **that I've built with people** I would have never met genuinely has been an incredible experience.

Subsidy requests were received by:

- Chesapeake –charity
- Shenandoah – charity
- RTR – new member party
- Shenandoah – multi region event
- Blue Ridge - hospitality park
- Pocono – new member
- Shenandoah – new member
