

Zone 2 Representative Quarterly Report

Zone Representative: Cheryl Taylor

2017 — 4th QUARTER

It is bittersweet writing my final Zone 2 Quarterly report as it has been a wonderful experience being the Zone 2 representative for the past 4 years. Being the Zone 2 rep has given me such great opportunities to not only volunteer for PCA but to meet so many wonderful folks in all of the regions and make some really good friends in the process. It's been my pleasure to serve in this role and I look forward to transitioning everything to the new Zone Rep so they will have a very smooth transition into their role.

I held my final presidents meeting for Zone 2 on October 15th. It was hosted by David Dean of the Potomac region in Winchester, Va. It was well attended as usual with Tom Gorsuch representing the EC and with the exception of the Riesentoter region, all regions were represented at the gathering. The Presidents of Zone 2 voted in a new Zone 2 Secretary, George Michaels of the First Settlers region and Dick Gordon of the Central PA region as the new Treasurer. Many thanks to Bill Sanders for his multiple years of service to Zone 2. He was a tremendous asset. And thank you to Sherry Westfall for serving as Secretary the past two years to Zone 2 as well.

Subsidy requests were received by:

- Blue Ridge – Charity subsidy request

During Q3 I attended the following events:

- Zone rep conference calls in Oct, Nov and December
- Audit committee calls in October and December
- Chesapeake Region Social – Nov 5th – Westminster, Md
- Delaware election meeting – Nov 8th – Avondale, PA
- Zone 2 DE conference call – Dec 19th
