

Zone 2 Representative Quarterly Report

Zone Representative: Rose Ann Novotnak

2018 – 1ST QUARTER

I started out my Zone 2 first quarter with a suggestion by my predecessor, Cheryl Taylor, to attend the Chesapeake After Holiday Party on January 13th where I received a warm welcome by all. The party was well attended, and it was a fabulous event. Earlier that morning Cheryl and I, along with our husbands, met for a transition meeting in the lobby of the hotel. The meeting lasted 4 hours. I left with page upon page of notes, along with boxes of files to begin my new position as Zone 2 Representative.

In this first quarter I participated in webinars, conference calls with all Zone Reps, Executive Council, and the DE Chairs for our March Zone 2 DE at VIR. I attended the Winter Board Meeting in Columbia, Maryland on February 9-10. I arranged a special conference call of all the Zone 2 Presidents to announce the resignation of the newly appointed Treasurer Dick Gordon due to a work conflict. I announced that Bruce Russell (Shenandoah Region) has been appointed our new Zone 2 Treasurer effective February 19, 2018. Upon the recommendation of Caren Cooper, I attended Zone 1 Presidents Meeting hosted by Mike Bryon in Albany, New York.

My first big event in Zone 2 was the annual DE at Virginia International Raceway in Danville, Virginia on March 15-18. I was named Social Chair and Volunteer Chair. I worked with a fabulous team of individuals who were very kind, and welcoming to this newbie. Marco Estrada was the Event Chair, Marco Alban was the Registrar, Claude Taylor, Daniel & Terrence Judge were the Tech Chairs, and Bob Mulligan, Don Mattran, Dirk Dekker were Track Instructors. I am mentioning these individuals by name because they were so professional, and very efficient in what they do. With all their help and mentoring I was better able to understand the workings of my first DE. I am very proud of this team. The event had over 250 attendees. This learning experience put me at ease for my next DE at VIR in June.

With the first quarter being a bit busy, I scheduled my Zone 2 Presidents Meeting for April 6-7, and will report on it in my second quarter report.

In addition to fielding numerous emails, I worked with Bill Simon, our Zone 2 Webmaster on posting items on the Zone 2 website.
