Report:

The third quarter began with the annual Porsche Parade which was held at the Tan-Tar-A Resort in Missouri this year. Since this was my first Parade as a Zone Rep, I hosted my first Zone 2 Party at the resort which was a huge success. I met so many wonderful and supportive people from my zone who were very kind and welcoming to this newbie. I attended the Chesapeake Region Crab Feast which is their annual picnic, and an event that is not to be missed. I also attended the Keystone Region annual picnic that was held at the beautiful Bald Eagle State Park. I enjoyed talking with old friends, and making new friends too.

The biggest event for me personally was my very first Porscheplatz at VIR in August. This was the event that I was most nervous about since I was in charge of getting the volunteers to fill the weekend duties. However, after a bit of difficulty, I got in touch with some very dedicated Blue Ridge members who volunteer every year for this event. They were extremely knowledgeable about their duties, and gave me an education on the process. Also, Lynn Friedman Porscheplatz Chair was my mentor, and my newest best friend. I couldn't have done it without her guidance.

Later in this quarter I attended the PCA National Office Open House which was very well attended, and the rain held out until the event was almost over. The final event of the quarter was attending Rennsport VI at Laguna Seca Raceway in California. This was a great opportunity to network, and to hang out with new and old friends while experiencing the best weather on earth.

During this quarter in addition to fielding numerous emails, and matching up insurance forms with observer reports, much time was spent on conference calls regarding Porscheplatz. The Zone Reps pet project of writing up a booklet of bullet points for the new incoming region presidents also was a time consuming project, which is almost complete.
