Role: Zone 2 Representative

Report: This is the end of my final year as the PCA Zone 2 Representative. I truly appreciate the opportunity to serve the Club as a Zone Rep for the last 5 years. The friends I have made and the chance to work closely with the EC, National Staff, fellow Zone Reps and my Regions will be treasured always. I am especially proud of the Zone 2 Regions who in 2013 took FIRST PLACE in 4 of the 6 National Awards/Contests at the Traverse City Parade. I am looking forward to still being involved with the PCA, Zone 2, and my Region. Congratulations to Cheryl Taylor, Chesapeake Region on her appointment as Zone 2 Rep 2014-2016.

Some of this quarter's hi-lights

The forth quarter opened with the ALMS Car Corral at VIR. This was a two day event that brought over 300 owner registrations and over 150 Porsches in the Corral. Special thanks to Steve Focazio and his team for support and Tuffy Von Briesen for his support to make this Corral have the look and feel of a Platz.

I participated as an instructor for the SCCA Street Survival Program, co sponsored with the BMW Club and the PCA RTR Region. The program processed 30 students and I believe made a significant impact to their safety on the road. PCA should continue to support this program.

The Zone 2 Board/Presidents Meeting was again supported by all Zone 2 Regions with 24 members attending. The Presidents reception held the Friday before the meeting was a held at the G&W Motorworks showroom with Phyllis and Weldon Scrogam hosting. Over 60 members attended reception. Minutes from the Board meeting are available from Tuffy Von Briesen Zone 2 Secretary

The contract for the 2014 VIR DE and Club Race was signed and Club Racing, MotorsportReg and the Zone 2 website updated. I have agreed to support Cheryl our new Zone Rep in setting up, staffing and running the DE and Club Race for 2014. I will also continue as the Zone 2 webmaster for 2014.

During the the quarter I participated in 3 Zone Rep conference calls, approved 8 subsidy requests and handled many member phone calls and emails.
