

## Zone 2 Representative Quarterly Report Zone Representative: Cheryl Taylor

2017 — 3rd QUARTER

**It's been a good 3<sup>rd</sup>** quarter with the ability to attend some nice events not only in the Zone but in my region as well, which has been unusual for me throughout my tenure as Zone rep. While this **year I didn't attend the Porscheplatz** at VIR for the WeatherTech race, it was nicely handled by Dan DeHart (prior president of the Blue Ridge region) along with many volunteers. Over 1000 people visited the tent over the 2-day weekend. Once again, so many volunteers helped to make it a successful gathering.

One notable **event the quarter was Riesentoter's 60<sup>th</sup>** anniversary which involved the Northern NJ region (also their 60<sup>th</sup>) and the Central New York region was invited as well (their 60<sup>th</sup>), but the most support and participation was actually received from the Pocono region (a spin off of the Riesentoter region from 1975). Len Goldspinner (President of Pocono) and his team of volunteers including Jim and Margie Becker (Pocono Membership Chairs) and John Novotnak, Tommy Hopeck to just name a few all worked on various aspects of the weekend event. Pocono was responsible for creating the tours (two were held; one Saturday and one Sunday), and creating the rally which took place on Saturday. Northern New Jersey region ran the DE and RTR ran the autocross. Quite the comradery **amongst regions and the weekend's** festivities were attended by more than 200 PCA members. The Camelback Resort and Pocono Raceway were the two main **locations everything took place. Wendy Walton (RTR's social chair) made all of the arrangements** for our events/stay at Camelback which included a wonderful banquet Saturday evening where awards were given out for the Rally winners. As well, commemorative bottles of bourbon were sold with all monies going towards the Riesentoter foundation in support of street survival.

The final event of Q3 I attended was the Potomac Club race at Summit Point. The race was extremely well run with a new club race team in place and they did a phenomenal job. Even more racers signed up this year than 2016 and the vintage racing increased by 10 making it 27 total in the vintage class.

Subsidy requests were received by:

- **First Settler's** – New Member Subsidy
- Chesapeake – Multi region event subsidy

**During Q3 I attended the following events:**

- Porscheplatz Conference call 7/27
- Chesapeake Region crab feast 7/29 – Kemptown, Md
- Zone Rep Conference call – 8/9
- Chesapeake Region social – Nick's Fish House – 8/20- Baltimore, MD
- Chesapeake Challenge – Mt Airy, Md – 8/26 – 27
- Audit Committee Conference Call – 9/5
- RTR 60<sup>th</sup> Anniversary event – Poconos, PA – 9/8- 9/10
- Poconos Rally and Tour – Poconos, PA – 9/9
- Zone Rep Conference call – 9/13
- Potomac Club Race – Summit Point, WV 9/24 -25
