Subject: 2018 4th Quarter Report - Zone 2

Group: Zone Reps

Committee: Zone Rep

Role: Zone 2 Representative

Report: The 4th quarter began with Rennsport VI at Laguna Seca Raceway in Monterey California. What a spectacular event with record breaking attendance. This year there were at least 5 Zone Reps present which gave us all the opportunity to get together to share ideas, and do some networking. As always, it was wonderful to catch up with all our old and new friends.

John and I attended our first 356 East Coast Holiday. We heard so much about these events, and wanted to see what it was all about. It was held on the boardwalk in Ocean City, New Jersey, and it was an event not to be missed. Just seeing all the cars line up on the boards was very exciting. Kudos to Bob Gutjahr and Ellen Beck for a fantastically run event.

Mid quarter we attended the Hurley Haywood book signing event hosted by the Simeon Car Museum in Philadelphia PA. It was great to see so many PCAers in attendance. I also held the Fall Zone 2 Presidents Meeting in this quarter. It was a very successful event with eight of my ten regions present. Phil Grandfield, Zone 2 Club Race Chair, was there to speak to everyone about our 2019 event at VIR in June. Also, I presented a slide show on the Junior's Program that was provided to me by Minta Miller. The presentation was well received with everyone eager to promote it. Later in the quarter John and I were cordially invited to attend the Delaware Region Christmas Party. We had a lovely time meeting everyone, and really enjoyed a fabulous dinner and dancing. Wrapping up the fourth quarter we attended our very own Pocono Region Christmas Party, and I realized that at last year's Christmas Party, I announced that I was the new Zone 2 Representative. I cannot believe that a whole year has gone by so quickly, and what a wonderful and exciting year it has been. I am so grateful to the National Staff for giving me this opportunity to represent Zone 2, and I look forward with enthusiasm to 2019.
