Report: I started out my 2019 first quarter in Zone 2 by attending the annual After Holiday Party of the Chesapeake Region on January 12th. The party was well attended, and the EC were in town for a meeting at HQ, so it was very nice to do some catching up with all of them. In this first quarter I participated in many conference calls in preparation of the Zone 2 DE at VIR on March 14-17. Our goal for this event this year was to do what we can to generate more of a positive income. I am happy to report that we did accomplish this goal thanks to the cooperation of the entire team. They are - Marco Estrada-Event Chair, Marco Alban-Registrar, Claude Taylor-Tech Chair along with his team of Daniel & Terrence Judge, Chief Instructors- Don Mattran & Bob Mulligan, Safety Chair-Michael Shammass, and Volunteer Chair-Lee Eason who stepped up to the plate for me at the last minute. Special thank you goes out to Bruce Russel-Zone 2 Treasurer who spent many hours on the phone with me to insure our event was successful. I am so proud of this team. Other conference calls included the monthly Zone Rep call with the EC, Harry Season, Club Race, Zone 1 & Zone 2 Boardwalk Reunion, Pocono Region BOD, Craig Kugler, and finally with the Pocono Region BOD to finalize our review of our by-laws.

One of the highlights of this quarter was the Winter Board Meeting in Seattle Washington, and all the snow the state received while we were there. Even with all the snow we made it to Griots Garage which is headquartered there in Washington. We were treated to a fabulous buffet of food, and a tour of the facility which included some outstanding vehicles.

Congratulations go out to 2 regions in Zone 2 this quarter who are celebrating an anniversary. They are the Delaware Region, celebrating its 59th, chartered in 1960, and the Chesapeake Region, celebrating its 58th being chartered in 1961.

I ended my first quarter with attending the First Settlers Region Habitat for Humanity House dedication on March 30th in Chesapeake Virginia. The proud owner of her new home is Cecillia Mulrain, and her son Mason. The celebration began with Cecilia and her son riding on the back of a 911 convertible with about 20 Porsche cars following in parade

fashion. We drove them around the neighborhood, and when they arrived at their new home they were greeted by the local newspaper, and TV cameras. The afternoon program consisted of Welcome and Opening Remarks by Frank Hruska, Habitat Executive Director, Blessing of the Home, Mark Hugel, Family Remarks, Presentation of the Key, Closing Remarks. After the celebration at the house everyone was invited to a banquet at Hunt Club Farm in Virginia Beach which was a very relaxed atmosphere catered by Mission BBQ. There was even a huge cake for dessert. I personally want to say how proud I am of the First Settlers Region for this unbelievable accomplishment. Special thanks to Josie Grandfield who is the FSR Charity Coordinator, along with the help of her husband Phil Grandfield. I am so very proud of the First Settlers Region of Zone 2.
