Report:

The fourth quarter began for me with the 50th Anniversary Chesapeake Challenge held by the Chesapeake Region. This event was held at Valhalla, a private estate owned by a Chesapeake member, and Turf Valley Resort in Ellicott City, Maryland. The estate was situated on over 90 acres of beautiful horse farm providing an incredible backdrop for all the gorgeous Porsches in attendance. Friday evening there was a meet and greet titled "Porsche Tales and Cocktails" with guest speaker Cam Ingram, who is the author and owner of Road Scholars. Saturday's main event was the Concours with a catered lunch by Mission BBQ, followed by a tricky Gimmick Rally. After the rally there was a Tech Quiz, which I was pleasantly surprised to come in second place in the ladies category. The evening ended with a cocktail hour, and an awards dinner followed by a presentation with questions and answers by Cam Ingram.

Sunday morning there was a gimmick autocross, with a nod to the past. It was a pay to play autocross with 1/2 the proceeds going to the winner, and 1/2 going to the Chesapeake Region's charity Mercy NICU.

Another spectacular event that happened in this quarter was the Boardwalk Reunion held on the iconic Ocean City Boardwalk. I understand that this was the very first time that multiple Zones came together to help put on an event. I am very pleased to say that Zone 2, and Zone 1 were very successful with this endeavor. The event celebrated the 50th anniversary of the 914. All model Porsches were invited, and what a display it was. Capacity was 400 cars, and we came very close to capacity. I have no doubt that it will definitely happen at the second annual event on October 17, 2020. The historic Flanders Hotel on the Boardwalk was our host Hotel, with beautiful suites to offer to their guests. Saturday morning began with the gathering of all the Porsche cars lined up by model at the OC Municipal Airport. After registration, our group was escorted by the Police Department through streets lined with on-lookers, and onto the Boardwalk. After parking

our cars, we were able to take in four different seminars that were held on the hour at the Music Pier. Once again the Police Department escorted all the cars off the boards, and everyone headed back to the Flanders Hotel for a cocktail hour, followed by a wonderful dinner. Dinner was followed by dancing, and open bar for the rest of the evening. Many thanks go out to our sponsors, Porsche of Cherry Hill, and Hagerty Drivers Club and Insurance. A huge thank you, and congratulations, to our Boardwalk Reunion Chairs - Bob Gutjahr and Ellen Beck for all of their hard work, dedication, and vision with putting on this wonderful and successful event. It was a pleasure working with them.
