Committee: Zone Rep

Role: Zone 2 Representative

Report:

The first quarter of 2021 started out as one of the snowiest events we have seen in northeast Pennsylvania in quite a few years. At one point the snow on the ground measured 36 inches, and seemed like just when it would start to melt we would get hit again with another storm. It was quite challenging. Actually, the snow ban reached all the way down to Maryland and Virginia in Zone 2 with accumulating amounts of snow, very unusual indeed. By the end of the first quarter the snow was almost completely gone, and hope was renewed with the COVID-19 vaccine becoming more available to all.

January - I hosted the Monthly National Staff Call with the EC. Prepared and distributed the minutes of the meeting.

February - Attended the Winter National Staff Gathering via Zoom. Updates were given by EC, and the National Chairs made presentations. Our portion of the meeting, the Zone Reps requested to hear presentations by Ron Gordon - Parade Chair, Jay Gratton - PCA Juniors, and Greg Halverson - PCA Tours.

Sent reminders to the Zone 2 Presidents to call in for the National BOD Meeting which also took place this quarter.

March - The Zone 2 Presidents Meeting was held on Zoom with 9 of the 10 Zone 2 Presidents attending. Five new Presidents came on board in 2021. I thanked them for stepping up, and welcomed them to the Zone 2 list of Presidents. Tom Gorsuch, and Maggie Goodman attended from National, and gave their presentations.

In addition to the above highlighted items this quarter, I attended numerous Zoom meetings with Z2 Webmaster, Z2 Club Racing, Zone Challenge Sim Racing, Parade Historics, and Zone Rep business. I attended my Region's (Pocono) BOD, and membership meetings by Zoom, however John and I did attend the March membership meeting in person. Masked, and socially distanced of course, it was so nice to see our Porsche friends again.

Anniversaries this quarter - Delaware Region - 61 years, and Chesapeake Region - 60 years.

Congratulatory messages were sent out via email, and Facebook.

Moving forward to the second quarter, I am already seeing subsidies coming in for summer events, aiming to get back to as normal as possible.

Until we can all meet again, please stay safe and well!

In Service,

Rose Ann Novotnak
