Report: The second quarter of 2021 began to see COVID restrictions start to lighten up. I attended my first region event of the year, of course while wearing a mask, and staying socially distant. It was so good to get out to spend time with like-minded Porsche people at the Central Pennsylvania Region annual SWAP Meet. The event was well attended in its new location at the Carlisle Fair Grounds in Carlisle PA.

April - Attended Zoom meeting for my local region's BOD meeting, and membership meeting. Attended the monthly National Staff/EC/Zone Rep Zoom meeting, Zone 2 Club Race prep Zoom meeting, and tuned in to the Region Focus presentation.

May - Attended in person the Central Pennsylvania SWAP Meet at the Carlisle Fair Grounds.

Attended Zoom meetings for my local region's BOD meeting, and membership meeting. Attended a Zoom meeting for Parade planning, National Staff/EC/Zone Rep monthly meeting, and Zone 2 PCA Club Race planning meeting.

June - Attended in person my region's BOD, and membership meetings. June marked the end of Zoom meetings for the Pocono Region. It was wonderful seeing old, and new friends again. Attended by Zoom the National Staff/EC/Zone Rep monthly meeting, multiple Zone 2 PCA Club Race planning meetings, and follow up meetings. I attended the Zone 2 PCA Club Race at Virginia International Raceway in Alton Virginia on June 17, 18, 19, & 20.

Because COVID regulations were constantly being updated by region, I fielded numerous emails, phone calls, and conference calls with Zone 2 Presidents, region members, Zone Reps, and EC each month.

Region Anniversaries this quarter - First Settlers Region - 62 years, and Keystone Region - 24 years. Congratulatory messages were sent out via email, and Facebook.

Subsidies Approved this quarter -

Riesentoter Region - New Member Social

Riesentoter Region - Hospitality Park

Pocono Region - Charity/Public Service

Shenandoah Region - New Member Social

The second quarter of 2021 ended with the Zone 2 PCA Club Race at Virginia International Raceway in Alton Virginia. It was a very successful event with great weather, and minimal incidents. I would like to extend my personal thank you to our Zone 2 PCA Club Race Team: **Z2 Registrar** - Scott Hoffman for the amazing job he did on a COVID protocol for minimizing risks, and improving the flow of registration.

Z2 Club Race Chair - Phil Grandfield for his wealth of Club Race knowledge, and for keeping the Chairs, and volunteers on track.

Z2 Club Race Co-Chair - Erik Apotheker for stepping up to be our Club Race Co-Chair, and also being our **Sponsor Chair**. Much appreciated:

Medical Liaison - Josie Grandfield for establishing and maintaining a rapport with the track emergency medical team per our signed PCA/VIR contract, and enforcing the terms of the contract.

Social Chair - Josie Grandfield for planning, and organizing the social at the trophy presentation on Saturday night. Well done!

Club Race Volunteers - We literally couldn't have done it without you! I enjoyed meeting everyone, and look forward to seeing you all again! Thank you for stepping up to volunteer, and in some cases doing double duty. Job well done!

Charity Laps - Charity laps were conducted all three days, and organized by myself, and husband John. God's Storehouse, a food pantry in Danville Virginia, was our chosen charity. Director Karen Harris was present for Saturday's charity laps and interview. Karen rode in the Panamera pace car driven by Phil Grandfield. The pace car was sponsored by Checked Flag Porsche of Virginia Beach. Thank you to all the sponsors who helped made this weekend a huge success!

Newspaper Story - Thank you to the Chatham Star-Tribune for publishing coverage of our charity event. A very special thanks to Kacey Martin who personally covered our event!

I couldn't have asked for a better team!
