Quarterly Report

Group: Zone Reps
Committee: Zone Rep
Role: Zone 2 Representative

Report:

The third quarter began with most of the Zone 2 Regions getting back to normal, but still proceeding with caution. Monthly meetings started going from Zoom meetings to in person meetings.

The highlight of this quarter was attending the full week of Parade in French Lick, and attending the Nation Staff Summer Meeting. The Zone Reps also met, and scheduled some of the National Chairs to stop in and give us all updates. Immediately following Parade, the Pocono Region President, who attended Parade, and myself, started to plan our presentation to our local Pocono Region membership to prepare them for what is expected of us for Parade 2022 which will be held in our region at Kalahari Resort. The Parade Staff visited Kalahari this past week for a planning meeting on site, and invited several members of the Pocono Region to participate. It was a very enlightening experience for those from our region who had no idea on how much goes into planning a Parade. They were all onboard, and eager to help, and very excited to be the host region in 2022.

Other notable events that happened this quarter are the Charter Anniversaries of the following Zone 2 Regions:

- Shenandoah Region - 25 years
- Pocono Region - 47 years
- Riesentotor Region - 64 years
- Potomac Region - 66 years
- Central Pennsylvania Region - 56 years

Subsidies Approved this quarter –

- Potomac Region - Region New Member Social Subsidy
- First Settlers Region - Charity/Public Service
- Shenandoah Region - Three Event Multi-Region Event
- Riesentoter Region - Charity/Public Service
- Pocono Region - Region New Member Social Subsidy

I also fielded numerous emails, phone calls, and conference calls during this quarter.

Looking forward to the fourth quarter, and my scheduled Zone 2 Presidents Meeting, when I could meet face to face with my ten Zone 2 Presidents, Z2 Secretary, and Z2 Treasurer for one final time as their Zone Representative. It has been a blessing working with each and every one of these amazing people.

In Service,

Rose Ann Novotnak
