Report:

I started out my 2019 second quarter in Zone 2 with the Z2 Presidents Meeting on April 5-6, 2019. Friday evening our Social was hosted at the National PCA Office in Columbia Maryland. Jim Hemig was our tour guide. After dinner we headed back to HQ where Jim Hemig had prepared a big screen TV presentation of that evening's exciting Simm Race for us to view as a group. Saturday's meeting at the Hampton Inn, located just a short walk from HQ, was very informative. The members of the National Staff that I invited were:

Aaron Ambrosino - PCA National Secretary

John Krecek - PCA National Driver Education (DE) Committee Chair

Bob Gutjahr - PCA National Policy Committee Chair

Jim Hemig - PCA Marketing Director

This year I invited my 10 region Membership Chairs to join us for a marketing presentation by Jim Hemig. After the zone business was discussed, Jim Hemig led those Membership Chairs who attended back over to HQ for his presentation and discussions.

Another highlight in April was the Central PA Region's Hershey Swap Meet that was very well attended. It is always nice to run into members of the National Staff to do some catch-up, and also to see new and old friends from the regions.

During this quarter I also extended congratulations to regions who are celebrating their charter anniversaries. They are: First Settlers celebrating their 60th, Blue Ridge celebrating their 39th, and Keystone Region celebrating their 22nd.

Wrapping up the quarter on June 20-23 was the Zone 2 Club Race held at Virginia International Raceway in Alton Virginia. Aside from the tornado warning on Thursday evening with some heavy rain and wind for a short period, it turned out to be a very beautiful weather weekend.

This year we added a Vintage Race, which was quite popular with vintage racers traveling far and wide to attend. I'd like to extend a special thank you to Zone 2 Club Race Chair Phil Grandfield, and his team for an outstanding weekend event.
