

Porsche Club of America Zone 2 Representative Report

Quarterly Report

Author: Phil Grandfield
Period: 2022Q1
Subject: First Quarter Report – Zone 2
Group: Zone Reps
Committee: Zone Rep
Role: Zone 2 Representative

Report:

The first quarter of 2021 is my first quarter as the PCA Zone 2 Rep. The turnover from Rose Ann Novotnak was very thorough, smooth, and comprehensive. She has explained the role and turned over all the necessary files. Thanks Rose Ann and enjoy your next PCA assignment as the Parade Art Show Chair.

The quarter started with some cancelled in-person events and several informative Zoom meetings. The quarter also included my first in-person Region visit:

- Attended first monthly National PCA meeting – 12JAN
- Zone 2 Club Race planning meeting #1 – 17JAN
- New President's Zoom meeting – 18JAN
- Parade Registration informational Zoom meeting – 19JAN
- The Keystone holiday party planned for 22JAN was postponed due to weather. I was unable to make the event on the new date.
- PCA Finances Region Focus – 8FEB
- Winter meeting planned in Jacksonville FL for 4-5FEB was changed to a Zoom meeting. FRI 4FEB was training for new Zone Reps. SAT 5FEB included updates of the PCA long range strategy, finances, briefing on the pending drone policy and other informational discussions.
- PCA Membership Region Focus – 22FEB
- Attended Chesapeake Region tech session and luncheon at the Guinness brewery – 26FEB.
- Hosted a meeting on 7MAR with representatives from Track Rabbit. Registrars from First Settlers and Potomac regions participated. Regions may choose to use Track Rabbit as an alternative to Motorsportreg.com
- Attended the MAR National PCA meeting as the Zone Rep lead for discussion.
- Hosted the Club Race at VIR as a co-chair. The 25-27MAR dates were a change from previous years driven by the changed dates of the Zone 1 race at Watkins Glen. The Zone 2 DE normally held on these MAR dates were moved to 10-12JUN. Feedback from the racers is the earlier date preferable to the hotter weather in JUN.

■ Participated in the Spring Planning for Parade on 29-30MAR at the Kalahari Resort.
The first Zone 2 President's meeting is planned early in 2022Q2 on SAT 9APR in Winchester, VA

Thanks to Jennifer Coston for her great support at the Zone 2 Treasurer for the past few years!
She successfully turned over her duties and the Zone 2 financial records to Joe Raya. Welcome aboard to Joe, a relatively new and very enthusiastic PCA member from the Shenandoah Region.

Subsidies approved this quarter:

- Chesapeake New Member Party
- Pocono Charity
- Potomac New Member Party

I'm looking forward to attending major events around the Zone in 2022 and having the opportunity to meet more members. Parade in the Poconos is sure to be a major Zone 2 event.

Respectfully submitted,
Phil Grandfield
