Report:

OCTOBER — Supported the Boardwalk Reunion co-hosted by Zone 1 and Zone 2. The event was a big success with a record number of entrants. 355 cars lined the boardwalk in Ocean City NJ on a picture perfect day. Volunteers came both zones with most of the Zone 2 folks came from Riesentöter.

NOVEMBER — Zone 2 President's meeting was held virtually. The meeting covered pending 2023 National events including Werks Amelia, Treffen Georgia, Parade Palm Springs and Rennsport 7. Discussion also included details of the Princess Cruise sponsorship and the Zone 12 sponsored ZoneFest at Sea.

Details of the National Award program were provided including guidance on how to develop a winning submission.

Zone 2 finances were shared with the Region Presidents. Zone 2 is incorporated and the Region Presidents comprise the Board. There was a significant impact to the Zone finances with a major loss on the Zone 2 DE in June 2022. The decision was made to not sponsor the Zone 2 DE in the future.

Attended First Settlers Region's "Turkeys in the Trunk" charity event.

DECEMBER — Attended a unique Zone Rep "virtual" happy hour. The meeting allowed good, informal discussion among the Zone reps.
